

## **Mission Statement**

**Our mission is to develop youngster with active and creative mind, a sense of understanding and compassion for others, and the courage to act on their beliefs. We stress the total development of each child: spiritual, moral, intellectual, social, emotional, and physical. The multi-ethnic community, parents, students, and staff work together to create an academic safe environment where everyone can learn and respect one another.**

**The School promotes a safe, orderly, caring, and supportive environment. Each student's self-esteem is fostered by positive relationships with students and staff. We strive to have our parents, teachers, and community members actively involved with students' learning process.**

**Providing an environment conducive to success is a key part in our pursuit of the highest standards. All our pupils have access to the very best learning opportunities. We Dare to use innovative techniques to enhance lifelong learning through technology, the multiple intelligences, varied instructional strategies, and interdisciplinary units. We Share our cultural backgrounds to nurture growth, responsibility, and productivity by celebrating our diversity within a positive school-wide atmosphere and by promoting sportsmanship, school spirit, and pride in ourselves through our daily studies and our educational accomplishments.**

## **Goals**

English speaking environment to be achieved in a span of a year in addition attendance in the school to an extent of 100%. More books shall be added in the school library on regular basis so as to inculcate reading habits amongst the students. Workshops and seminars shall be organized for the staff members to augment their subject knowledge. The nearby villages shall be approached to achieve the target of 100% literacy in 5 years.

Massive use of technology so as to give maximum exposure to the students as well as staff from Class I onwards, the overall pass percentage in all the classes must increase by 10 percent annually, the involvement of senior classes in co curricular activities to add up and also must balance with the scholastic and co scholastic. We all need to collectively ensure that all are committed towards their responsibilities.

Yearly more trees shall be planted, Community program shall be run so as to aware and encourage the habitants to conserve the nature and save the depleting resources, plant more trees, consequences of using polythene bags, etc. free sapling to be provided. By 2019 the school shall have an Auditorium to conduct various programs and competitions indoor. Children to be encouraged to adopt a village and run a seminar awakening about sanitation, cleanliness, conservation of water, importance of education, etc.
